John L. Logan
EXECUTIVE DIRECTOR

May 21, 2013

To all Masters, Wardens & Brethren,

In response to the destruction and loss of life caused by the deadly tornados across our state, it is our hope that the Fraternity can help meet some of the financial needs of many individuals that were brought about by these tragic storms. With this in mind, we are asking for your support for the victims of the tornados.

The Masonic Charity Foundation will collect the funds from the participating lodges and determine how best to allocate those funds which will be needed in the days, weeks and months to come as individuals begin to put their life back together after such devastating loss.

Here is how it works:

1. The Lodge raises money. You can vote it out of the treasury, pass the hat, or hold a public fundraiser.
2. Make the check **PAYABLE TO THE MASONIC CHARITY FOUNDATION** and send the check to the Masonic Charity Foundation, PO Box 2406, Edmond, OK 73083. Earmark the check "**TORNADO RELIEF**". The Foundation must receive your funds no later than **June 30, 2013**.
3. The Foundation will match your lodge's contribution and allocate the funds to individuals and/or organizations in need.

Thank you in advance for assisting in this very important project. It is times like this when the Fraternity truly bands together to make a difference for those in need.

Fraternally,

MASONIC CHARITY FOUNDATION OF OKLAHOMA
