Brother Secretary,  
The following is to be read at the next communication.

Brethren,

Most Worshipful Walter R. Kaulfers, Grand Master of Masons of the state of New Jersey, is preserving the tradition of honoring the teachers of this state by continuing the Educator of the Year program. Once again, this will be a three-tier system. Each lodge will individually administer the first step. As a lodge, you are to go into the community you serve and contact the local school Principal, Superintendent of Schools, Board of Education or the local PTSA to obtain worthy candidates for the Educator of the Year. Once selected, your lodge is to honor this person in whatever manner you see fit, however, if presenting a monetary grant, it should not be more than what the district is offering.

Your District Deputy Grand Master will be appointing a District Educator of the Year committee. After your lodge has selected their Educator of the Year, this name is to be submitted to the district committee who will select one District Educator of the Year for the district.

Once each district has chosen its honoree, the district will submit the honoree's application to the Grand Lodge Educator of the Year chairman; then **one** Grand Lodge Educator of the Year will be chosen. This year, the Grand Master has decided to honor one educator as Educator of the Year. One honoree will be chosen from all of 19 Masonic Districts. The Grand Lodge honoree will be presented with a grant of \$4,000 and the employing school district will receive a grant for \$1,000 (to be used by the honoree for his/her academic program). The grants will be awarded at the Annual Communication in Atlantic City.

All of the application materials are enclosed with this letter. Please feel free make as many copies of the application as needed. If there is anything you do not understand about the application, please feel free to contact me, I will try to answer any questions you may have. **THIS IS THE ONLY APPLICATION THAT WILL BE ACCEPTED AND ONLY ONE APPLICATION PER DISTRICT MAY BE SUBMITTED TO THE STATE COMMITTEE FOR CONSIDERATION.**

The established criteria must be adhered to so every nominee is on a level playing field for the District Educator of the Year and finally the Grand Lodge Educators of the Year. Brethren, with your assistance this program will continue to be successful for many years to come and we will shine Masonic Light on our communities, thus making a positive impact on our neighbors. ***Don't forget to include a short advertisement in your Trestleboard requesting nominations for your Lodge Educator of the Year.***

Fraternally,  
*Gary E. Engelhardt*

# GRAND LODGE of NEW JERSEY F. & A. M.

100 Barrack St, Trenton, New Jersey 08608-2008

Ladies and Gentlemen:

The Masonic Fraternity has long been a supporter of education. In New Jersey alone we operate learning centers for children with dyslexia and other learning disabilities. Masonry realizes that the classroom teachers are one of our most valued resources as a society and would like to take this opportunity to honor some of our outstanding educators.

If you will take the time to fill out the attached application and submit it to the contact person listed below no later than January 2, 2017 we will give your nominee our utmost consideration. Once we have chosen an Educator of the Year for this community, we as a lodge will honor them. Our community honoree along with other community honorees will then be nominated for the District Educator of the Year. This honoree will be presented with an award at a District meeting at a later date. There are nineteen Masonic Districts in New Jersey. Once each district has chosen its Educator of the Year, they will nominate their honoree for one State Educator of the year. The Grand Lodge of New Jersey will present one \$4,000 grant to the state Educator of the Year and the employing school district will receive a \$1,000 grant to be used for the state educator's program. The presentations will be made at our Annual Communication in Atlantic City in April, 2017.

The fundamental tenants of Freemasonry are **Friendship, Morality and Brotherly Love**. Please return the attached forms with the requested information, with particular attention to item 8 to show how the teacher exemplifies these tenets by his or her teaching, special education, extra-curricular activities, etc.
