Order Disclaimer

If you are placing a wreath sponsorship to benefit a local fundraising group or wish to have your sponsored wreath placed at a particular participating location you must use the group ID provided to you by the fundraising group and/or the location ID for the participating location (which can be found on the location page on our website).

If you do not use a sponsoring group ID number and/or a location ID number on the order form you submit we will be unable to reroute your order once we receive it. Any wreath sponsorships without a group ID and/or location ID will be automatically placed in the “general fund” and shipped to Arlington National Cemetery for placement on a veteran’s grave during the Wreaths Across America Remembrance Ceremony held in December.

*Please note that the term “Location” also refers to a participating “cemetery” that you wish to sponsor.

Thank you for your sponsorship/order.
